YUNGINZ SIZING

Small sizes Big styles

Cool shoes, designed in Australia for cool kidz!

www.yunginz.com.au

This foot measure is a guide only and is not 100% accurate to every type of shoe or manufacturer due to variances in each of the manufacturing processes. For fitting accuracy we recommend that you try on the footwear.

MEASUREMENT INSTRUCTIONS:

1. When printing this page make sure the 'page scaling' option on the print section is **set** to 'none'.
2. Make sure you place sizing chart on a flat hard surface.
3. Place heel in position as indicated on chart in the half circle. Read size after the end of the toe.
4. Use highest measurement after both feet have been measured.

FOR BEST RESULTS

If your toe crosses a line, select the next larger size. Check chart against a ruler to ensure accurate printing of chart.

Australian sizes are a guide only.

Not all Yunginz styles are available in the sizes stipulated in this chart, please check each style size in our 'check out our shooz' section.
