

Sizing Chart

www.yunginz.com.au

This foot measurement is based on the INNER SOLE length of Yunginz footwear and is a guide only and not 100% accurate to every type of shoe or shoe manufacturer. For fitting accuracy we recommend that you try on the footwear, if this is not possible please use this chart as your main guide.

MEASUREMENT INSTRUCTIONS:

1. When printing this page make sure the **'page scaling'** option on the print section is **set** to **'none'**.
2. Make sure you place sizing chart on a flat hard surface.
3. Place heel in position as indicated on chart in the half circle. Once foot is placed on chart be sure to add **1cm** for growth purposes then select closest size.
4. Place your order and the Yunginz™ team will get back to you. Alternatively check out our stockist listing for your nearest Yunginz™ supplier.

FOR BEST RESULTS

Check chart against a ruler to ensure accurate printing of chart. Yunginz™ sizes are a guide only.
